- SWS pieces judged on Thursday night. We are missing about 30% of the people who come in on Friday. It was proposed that judging be moved to Friday night. Carole Jean suggested Friday morning so the ribbons can be out all day. Jimmy DeShon suggested checking with the judge to see what time Friday. It was proposed that the judging start between 10:00 am to 10:30 am on Friday morning. It was passed with unanimously by the Board and the Members.
- It was proposed that 2 new ribbons be added to the prizes this year. The Mayor's Choice Award and The People's Choice Award. The voting was unanimous in the affirmative by the members and the board. There was a discussion on how the voting would be done for people's choice. That was tabled for the moment. There will not be a cash award just a ribbon this year for both of those awards.
